- **Tutoring assistance**
- **Computer access**
- **A common password for wireless access**
- **Access to library or other academic resources**

Contact the staff members listed on the other side.

• The Colonial Academic Alliance•

The Colonial Academic Alliance develops, promotes, and facilitates collaborative programs and resource sharing to enhance academic quality and institutional effectiveness throughout our member institutions.

Our programs focus on six strategic areas:

- **International Programs**
- **Undergraduate Research Programs**
- **Assessment Initiatives**
- **University Life**
- **Alumni Relations/Advancement**
- **Resource Sharing**

In each of these areas, we concentrate on:

- Providing new and expanded opportunities for students
- Sustained information sharing and benchmarking
- Faculty and staff development
- Sharing unique programs and facilities among the 12 CAA institutions
